Builder ID No: 0049

Dear Mr. Rodriguez :

We have accepted your company as a builder in the Department of Veterans Affairs (VA) Home Loan Guaranty Program. Your builder ID number is 0049. Lenders will use this ID number when ordering appraisals for homes that you build.

Information about VA construction policy can be found in Sections 10.08 through 10.10 of the Lender's Handbook. The Lender's Handbook is on our website at <http://homeloans.va.gov/handbook.htm>. If you have questions, you may contact me at (540) 597-1526 or e-mail me at ethel.skibinski@va.gov.

Thank you for your participation in the VA program.

Sincerely yours,

A handwritten signature in blue ink that reads "Ethel M. Skibinski".

Ethel M. Skibinski,
Staff Appraiser

CertainTeed ShingleMaster™

This is to certify that

IS Enterprises
is hereby recognized as a ShingleMaster™,
and therefore can offer the SureStart™ PLUS 3-STAR and
4-STAR Coverage warranty extensions.

*This company has achieved ShingleMaster™ status by employing a Master Shingle Applicator™
qualified workforce (including one job supervisor and at least two installers)
or by attending a ShingleMaster Credential Course.*

The Master Shingle Applicator qualification is based on the CertainTeed Shingle Applicator's Manual test. This publication discusses the complex requirements and recommendations for the installation of a high-quality shingle roof system. The ShingleMaster Credential Course covers an overview of CertainTeed roofing products, proper application standards, and a review of shingle technology and quality. Renewal is required every two years.

A handwritten signature in black ink, appearing to read 'Guillaume Texier'.

Firestone

Certificate of Registration

Contractor Name: IS Enterprises

Registration Number: #69490

Registration Date: February 28, 2011

As part of its overall service to the roofing industry, Firestone Building Products provides for the registration of roofing contractors who purchase and install Firestone roofing products.

This certificate confirms that, on the registration date as indicated, Firestone has assigned the above listed roofing contractor the registration number indicated on this certificate. This registration number confirms that the above listed roofing contractor has duly executed Firestone's "Contractor Registration And Agreement To Purchase and Install Firestone Roofing Products", and is henceforth eligible to apply for Firestone Standard Roof System Limited warranties issued by Firestone, subject to Firestone's receipt of the proper warranty fee payment and the completion of installation of Firestone roofing products in full accordance with Firestone technical specifications and application instructions.

Dear Firestone Registered Contractor:

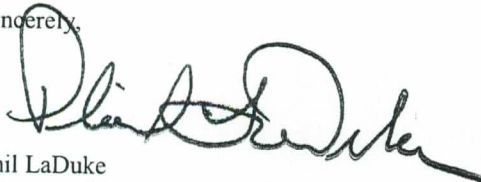

As a part of our overall service to the roofing industry, Firestone provides for the registration of roofing contractors who purchase and install Firestone Modified Bitumen roofing products. Now that we have received your completed "Contractor Registration" we are pleased to inform you that you have been assigned the Registration number listed above. Please include this number in all correspondence with us. This registration adds your company to our mailing list for information concerning Firestone modified bitumen products and allows your company to apply for Firestone roofing warranties for these products.

Currently Firestone offers two basic types of warranties for our modified bitumen products. Our most commonly issued warranty is the "Modified Bitumen Membrane Limited Warranty", which provides for the repair of any Firestone modified bitumen membrane in the event a roof leak is caused by weathering of the membrane. This warranty can be obtained from Firestone by completing the enclosed "Application For Modified Bitumen Limited Membrane Warranty" and the payment of a \$50.00 registration fee.

In addition to this basic warranty, Firestone also offers a warranty that covers both Firestone materials and the workmanship used to install these materials. The term of this warranty is either 10 or 12 years, and the coverage is limited to the original installed cost of all Firestone materials. This warranty requires the submission of a Pre-Installation Notice and a warranty inspection fee to Firestone, an inspection of the roof conducted by a Firestone Field Technical Representative, and completion of any repairs identified during the inspection. Additional information concerning this warranty program can be obtained by calling your local Firestone Sales Representative or the Firestone Technical Hotline, 1-800-428-4511.

We wish to welcome you as a Modified Bitumen Registered Contractor, and we look forward to a long and prosperous business relationship. Please feel free to call us whenever you have any questions or need assistance.

Sincerely,

Phil LaDuke
Director of Quality Assurance

ATT: 1) Registration Certificate
2) Application for Modified Bitumen Limited Membrane Warranty
